

## **Bibliography in supp. mat.**

Appendix 2 to *Uncover viral sharing through global structure of host-virus meta-network*

Mathis Gheno<sup>1,2,‡</sup> [Timothée Poisot](#)<sup>2,3,‡</sup>

<sup>1</sup> Université de Rennes   <sup>2</sup> Université de Montréal   <sup>3</sup> Québec Centre for Biodiversity Sciences

‡ Equal contributions

Supp. Mat. can use their own bibliography. For example, we can cite this really old paper about what parasitism really is: (Fahrenholz1913EctUnd?).
